Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The CAPS Doctoral Internship Program (CDIP) prepares the next generation of health service psychologists to serve as ethical and skilled clinicians in a variety of settings with high degrees of multicultural competence. Psychology interns completing their capstone training experiences work as generalists in a university counseling center that serves a large public university. Training at CAPS, which is housed within UArizona's nationally ranked Campus Health Services, comes with ample and consistent opportunities to collaborate with staff across medical, health promotion, and mental health services within a large interdisciplinary center.

The CAPS Doctoral Internship Program bases its selection process on the entire application package; however, applicants who have met the following qualifications prior to beginning internship will be considered preferred:

1. A minimum of 500 intervention hours;
2. A minimum of 50 assessment hours;
3. Dissertation proposal defended;
4. Some experience and/or special interest in working with diverse populations;
5. Practicum experience working with young adults. Experience working in university
6. counseling is especially preferred.
7. Current enrollment and good standing in an APA- or CPA-accredited doctoral program.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes	No	Amount: 500 preferred
Total Direct Contact Assessment Hours	Yes	No	Amount: 50 preferred

Describe any other required minimum criteria used to screen applicants:

All interns who match to the UArizona CAPS Doctoral Internship must provide proof of citizenship or legal residency and must successfully pass a fingerprint-based background check before beginning employment. Interns also must provide results from a tuberculosis (TB) screening test from the previous 12 months. Instructions for providing this information or completing the background check and TB screening will be sent out to all who match after the match process is complete.
